~~CONFIDENTIAL~~

March 16, 1956

I received a call from the General Counsel's office today inquiring about the remainder of your outstanding account.

It seems that when you were in the last time the Finance people understood that you would return on or about February 10 and clean up the remainder -- \$338 and a few odd cents.

I advised the General Counsel's office that I thought you would be in the latter part of March. They have asked me to ascertain this as they are most anxious to clear the matter up.

Please drop me a line and let me know your plans.

Sincerely,

SA-DD/S:CEB:dle (16 Mar 56)
